The Kirkland Arts Center is proud to present the sixth annual **Kirkland Artist Studio Tour**. This marks the first year KAC has managed the Tour. The Kirkland Artist Studio Tour is a perfect and welcome addition to the Arts Center's schedule of community related arts programming. The Kirkland Arts Center, founded in 1962 and housed in the historic Peter Kirk Building, is a non-profit organization dedicated to supporting the visual arts through art classes, workshops, gallery exhibitions, and community outreach. Kirkland Arts Center offers a wide variety of classes in

ceramics, painting, drawing, and printmaking, serving students of all ages and skill levels. To find out more about KAC, or to become a part of this vibrant arts organization, visit us in person, or on the web. For a copy of the current catalog schedule of classes and activities, please call 425-822-7161.

### Keep This Brochure

This brochure and map are designed to help tour visitors plan their route and visit the studios of greatest interest. It is also a handy tool for previewing the works of the participating KAST artists on the internet. All of the artists have additional images of their artwork on the tour website, **[www.kirklandstudiotour.com](http://www.kirklandstudiotour.com)**. Many artists have their own personal sites with web addresses listed in the brochure here. And hang onto this brochure throughout the year, you never know when you might want to contact an artist about purchasing some fine art!

### Thank You

The Kirkland Arts Center would like to thank our generous sponsors of this year's tour. Thanks also to the Kirkland community and all the KAST visitors for supporting this fun and interesting arts event. The public enthusiasm for the Tour, shown through the number of tour goers; the genuine interest in individual artists and their works; and the purchase of fine art directly from the artists, is an inspiration to each of the artists to joyfully continue to make art year after year. Thank you to the artists!

We hope you enjoy the Tour.
